April 5, 2022

Attention Daleville Parents:

Due to the risk of severe weather this afternoon, we are going to dismiss early today at 11:30 a.m. It seems the storms are going to remain over us for a while this afternoon so we want to get our students home safely before then.

There will be no after school activities.

Please make arrangements to pick up your children at school or for your children to be received from the bus.

Thank you for your support in keeping our students safe.

Lisa Stamps
