Student Parking Pass Application

Students who drive a motor vehicle on campus must park in the student-designated areas only. Student parking spots are color coded white and \$20.00 each. You are not to park in areas reserved for faculty parking, visitor parking, superintendent office parking, or along the curb immediately in front of the main school building. A Student Permit only allows you to park on the main campus.

Students are reminded that extreme caution must be taken at all times when driving on campus. Speeding and reckless driving will cause you to lose your right to park on campus and the matter will be turned over to the police for traffic violations.

Students are not to loiter in the parking lots at any time. Students are not permitted to sit in, on, around, or about vehicles in school parking lots.

The parking permit must be visible through the front windshield. Parking permits are only allowed for the vehicle described when you purchased the parking permit. Parking Permits are not transferable to other vehicles. Violation of this rule will cause you to lose your right to park on campus.

Student Signature

Date

Student Name: _____

State Driver License Number: _____ **Tag Number:** _____
